A) Training Sessions

*Nippers (7-12yrs), Juniors (13-16yrs), Slippery Eels Swimming (16yrs+), Surf Academy (girls)
Surfers Boot Camp (boys), NARS beach lifeguard award (16yrs+)*

Training sessions run throughout the summer on the beach and during the winter in the pool.

Sessions are subject to strict number restrictions for safety reasons, and we maintain a ratio of supervisors to participants in line with the governing bodies (BSA/SLSA) recommendations.

Training Sessions may incur additional subscription fees (max £2 per session).

All members must be able to confidently swim as a minimum (Age 7-13: 100m), (Age 13+: 400m) in a pool before attending ANY training sessions.

The following standards are expected in addition for attendance to summer SEA sessions or using any equipment:

AGE on 1 st Jan	Beach Run	Sea Swim	Beach Run
7-8 years	25m	50m	25m
9 years	75m	50m	75m
10 years	75m	100m	75m
11 years	100m	150m	100m
12 years plus	125m	200m	125m

The club operates a waiting list for any training sessions that are oversubscribed,

B) Insurance

All members are covered worldwide by the club's public liability insurance for both Surfing (to £2 million) and Surf-Lifesaving (to £5 million) activities provided that the member is acting within his / her ability and qualification.

In addition, all members benefit from personal accident insurance as part of their SLSA membership. More information is displayed on the surf club notice board, full policy available on request.

C) Equipment and Premises Use

All members are entitled to a coloured tag which can be attached to the zip cord on a wetsuit to identify them as members of the club for access to the building and equipment. These tags will be issued at training sessions or can be collected from the St Agnes beach lifeguard hut during the summer.

Members wishing to use the club equipment outside of official events / training should only do so under the supervision of a NARS qualified lifeguard and this is actively enforced for members under 16. In addition, 'Nipper' age members must have dedicated adult supervision in addition to any lifeguards to use any of our equipment (a parent 'somewhere on the beach' does not count!)

Members using the premises should familiarise themselves with the location and operation of fire extinguishers, first aid kits, emergency exits and the locations of the nearest available telephones.

D) Use of Personal Information

Names of all club members are displayed on the surf club notice-board and in the St Agnes beach lifeguard hut.

For affiliation to the SLSA or BSA your details will be forwarded to the relevant organisation.

Relevant medical information disclosed on the membership form will appear on training session registers but will not be generally disclosed.

E) Comments and Suggestions:

Committee meetings are held on the first Sunday of Every Month, usually at 7pm. Members are encouraged to attend but only elected committee members may take part in a vote if one is required.

F) Contests and Training

The club aims to provide financial assistance for those representing the club professionally / competitively or in attaining relevant qualifications that can (and will) be used to benefit other members of the club.

G) Payment

Any cheques should be made payable to: St Agnes Surf Club
